8. HEINRICH METZINGER #631 born 30 AUG 1840, Mittelbexbach,[10] Occupation: Farmer, married 22 APR 1869, in Chicago Cook County Illinois,[11] MARY M THENO #3732. HEINRICH died 11 AUG 1914, Benton County Indiana,[4] Buried: 13 AUG 1914, St Mary's Cemetery Dunnington Indiana.[12] HEINRICH was the 5th son of JOHANNES MARTIN and CATHERINA SCHULZ METZINGER. According to a family history told by AUGUST (GUS) to his daughter CELE when he was 97 years old (1969) each boy was sent to America at the age of 17 in order to avoid the forced military service instituted by the King of Bavaria in his war with the French. (This part of his story is proven wrong since HEINRICH emigrated in 1867 according to German emigration records for the town of Mittelbexbach (later called Bexbach) at the age of 27 years). HEINRICH himself stated in his application for citizenship that he arrived in the United States from Havre France on 13 April 1967). Upon arrival in this country HEINRICH, as did almost all of the Metzinger family, settled in the Schuylkill County Pennsylvania vicinity and worked in the anthracite coal mines. HEINRICH lived with his brother JOHANN and his wife MAGDALENA in Mahanoy City Pa for a short time before leaving for Mineral Point Wisconsin where he worked on a farm and fed cattle in winter. According to his last surviving son NICHOLAS, one winter while cutting wood for fuel a caravan of Indians came along and asked for some tobacco which he gave to them. Upon filling their pipes they quickly loaded his wagon with the wood he had cut, thanked him and went on their way. In the spring he left Wisconsin and moved to McHenry County Illinois and worked as a farmhand. When the corn harvest was over that fall he lost his job and went to Chicago where he worked in a saloon for his room and board. He later obtained work in a lumberyard and met MARY THENO in 1869 and subsequently married. By this time his brother JOHANNES had also come west to Chicago and owned several meat markets along with a Mr Hauck. His other brother MARTIN had by this time returned from Germany with his wife and two children and the three brothers after giving the matter some thought decided that they would rather return to farming for a living. They went by train to Sheldon Illinois where they contacted a land agent who took them to Benton County Indiana where each one purchased 80 acres of land at a price of $9.00 an acre. In the spring of 1870 they moved from Chicago, each one having his own wagon for his family and all their goods including farming implements which they were taking with them. The trip took three days and upon arrival in the Benton area they lived in the upturned wagons until they could get

houses built. They built typical German immigrant houses consisting of two rooms on the first floor and a loft area which was used as bedrooms. (A house of this type can be seen in Lancaster County Pennsylvania at the Hans Herr House near Willow Street Pa). There were no roads in the county at this time and the nearest trading center was in Sheldon Illinois. Since money was tight at the time as a result of the Civil War, everything had to be bought for cash. There was no credit given. Farm implements were in short supply also and since HEINRICH only had two horses he could not plow all 80 acres the first year. He planted his first corn crop on a portion of the acreage by making a hole in the overturned sod and having his wife drop a few grains of seed in each hole. The corn he had to spare he sold to a Mr Summers who was a cattle feeder from Earl Park Indiana. On one occasion he and his brother JOHANN went to Sheldon on business and to buy supplies. On the return trip they were caught in a snowstorm and became lost. Finding an empty hunters cabin and having bought a coal stove in Sheldon they were able to keep warm over night. On another occasion while coming home before there was a bridge over Sugar Creek his team broke through the ice and HEINRICh had to wade in front of the team and break ice with a single tree from the wagon. After a few years of these types of hardships more settlers came to the area, roads and bridges were built and the County fast became settled. After living on the original homestead for some years HEINRICH sold to a Mr Finney who owned an adjacent farm and moved three and one half miles south and east to the farm eventually occupied by his grandson SYLVESTER GREIVES. This new farm was all prarie and HEINRICH had to break the sod once more. As the prarie sod was very tough he had to carry a file with him in order to sharpen the plowshares when he rested the horses. He also carried a club with which to kill the numerous snakes in the area. HENRY as he was known now raised a family of nine children and helped to establish the Roman Catholic parish in Dunnington. He was known in later years as "UNCLE HENRY" to his many friends and neighbors.

The story that his mother wanted one of the boys to return to Germany due to the illness of their father raises the question as to why she would need them since her oldest son PETER was living in Mittelbexbach at the time and was unmarried. In the 1900 census he had had 10 children with only 5 still living then. Living in Parish Grove Township Benton Co Indiana in 1880 and in Hickory Grove Township in 1900. Had MINNIE FRANZ 15 living with them as a servant in 1900, and also a farm hand GEORGE GRIEVES age 23. 1910 census ____ -06-09-25 Benton Co Indiana living next to ROBERT SCHILLING. Naturalized 1896 Benton Co Indiana . HENRY died of paralysis.

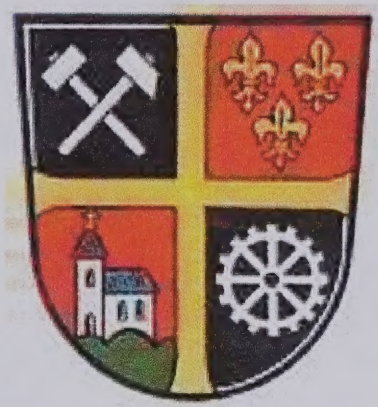
German Civic Arms

SANKT INGBERT

County (Kreis) : Sankt Ingbert

State : Saarland



Origin/Meaning:

The first arms of the city date from 1886 and showed a miner and some symbols of mining, the lion of the Pfalz and the arms of Bavaria, as Sankt Ingbert at the time belonged to Bavaria. The present arms were grante din 1947 and show the cross as a canting symbol for 'Sankt'; the tools represent the mining, the wheel the industry. The fleur-de-lis are taken from the arms of the Knights of St. Ingebrt, the oldest noble family of the area, whereas the church represents the local church of St. Ingbertus.

Literature : Stadler, K. : Deutsche Wappen - Bundesrepublik Deutschland. Angelsachsen Verlag, 1964-1971, 8 volumes.

MAGDALENE died 07 SEP 1905, Benton County Indiana,[4] Buried: 09 SEP 1905, St Mary Cemetery Dunnington Indiana,[17] MAGDALENE was a widow in 1900 and had a boarder FRANK YENFER born in Penna age 27 living with her. 1900 census says she had 14 children with only 4 still alive in 1900. MAGDALENE died from paralysis. JOHANNES: JOHANN immigrated to America in 1852 in order to escape conscription into the Army. He settled

in Locustdale Schuylkill County Pa and worked in the anthracite coal mines. In 1866 he moved to Chicago Illinois along with his brother HEINRICH (Henry) where they owned several meat markets which they later sold to Armour Brothers. St Bartholomew Church could not find a record of the marriage in answer to a query in Dec 1994. Living in Parish Grove Township Benton Co Indiana in 1880. JOHANN arrived in the U S on the Ship Gallia from Le Havre France with his uncle JOHANN JACOB and his family landing in New York 22 APR 1852. His passport describes him as being 5 ft 7 in tall, brown hair, brown eyes, clean shaven with a round face and of a healthy complexion with no identifying marks. Moved to Parish Grove Township in 1869. JOHANNES was the 2nd son of JOHANNES MARTIN and CATHARINA SCHULZ METZINGER. According to a family history told to his daughter CELE by AUGUST (GUS) METZINGER when he was 97 years old (1969) each son was sent to America upon reaching the age of 17 to escape conscription into the Army since their father did not believe in the military system. Upon arrival in America all sons, as did almost all of the Metzingers who came to this country, settled in the Pottsville Schuylkill County Pennsylvania area where they became coal miners. Upon receipt of a letter from their mother in 1857 that their father was ill and that she wanted one of them to return the three boys drew straws to see who would go. MARTIN was selected. JOHANNES moved to Chicago Illinois around 1868 where he owned several meat markets with a Mr Hauck. His brothers HEINRICH and MARTIN had joined him in Chicago and helped in the management of them. After several months Armour Brothers bought them out and the three brothers went by train to Sheldon Illinois where they contacted a land agent who took them to Benton County Indiana where each bought 80 acres at a price of $9.00 an acre in what is now the Dunnington area. In the spring of 1870 they moved from Chicago to Benton County with each one having a wagon with his family and belongings. The trip took three days. They lived in their overturned wagons until such time as they could build houses. They built a 2 room house with a loft which was used as bedrooms. (This is a typical house of the German immigrants and a restored house of this type can be seen at the HERR house in Lancaster County Pennsylvania. There were no roads in the county at the time and the nearest trading center was Sheldon Illinois and since money was tight at the time everything bought was by cash no credit. Farm implements were in short supply and were hard to get. On one occasion he and his brother HEINRICH went to Shelton Illinois on business and to get supplies and that evening while coming home were caught in a snowstorm and became lost. After driving for some time they found an empty hunters cabin where they stayed for the night. They had bought a stove and some coal in Sheldon so were able to use this for heat during the night. After a few years of these hardships more settlers moved into the Benton Co area, among them were the Dunns, Woodlocks, Conners, Finnleys and Freelands. Roads and bridges were built and the County was fast becoming settled. The story about their mother asking that one of the boys return home when their father was ill raises a question as to why she would need one of them since her oldest son PETER was still living in Mittelbexbach at the time and was unmarried.Godparents were JOHN SCHULZ and ELISABETHA NIEDER.

compiled by Robert J Drobile

1. **HEINRICH J. METZINGER** #631 b. 30 AUG 1840, Mittelbexbach Kingdom of Bavaria,[1] Baptized: SEP 1840, Kath Pfarrkirche St Martin Mittelbexbach, (son of **JOHANNES MARTIN METZINGER** #618 and **CATHARINA SCHULZ** #619) Occupation: Farmer, m. 22 APR 1869, in Chicago Cook County Illinois,[2] **MARY M THENO** #3732, b. 01 SEP 1849, Senningen Duchy of Luxembourgh,[3] (daughter of **JON THENO** #4633 and **MARGARETTA KINNEN** #4634) d. 07 OCT 1918, Fowler Benton County Indiana,[4] Buried: St Mary Cemetery Dunnington Indiana. HEINRICH died 11 AUG 1914, Benton County Indiana,[5] Buried: 13 AUG 1914, St Mary Cemetery Dunnington Indiana.[6] HEINRICH was the 5th son of JOHANNES MARTIN and CATHERINA SCHULZ METZINGER. According to a family history told by AUGUST (GUS) to his daughter CELE when he was 97 years old (1969) each boy was sent to America at the age of 17 in order to avoid the forced military service instituted by the King of Bavaria in his war with the French. (This part of his story is proven wrong since HEINRICH emigrated in 1867 according to German emigration records for the town of Mittelbexbach (later called Bexbach) at the age of 27 years). HEINRICH himself stated in his application for citizenship that he arrived in the United States from Havre France on 13 April 1867). Upon arrival in this country HEINRICH, as did almost all of the Metzinger family, settled in the Schuylkill County Pennsylvania vicinity and worked in the anthracite coal mines. HEINRICH lived with his brother JOHANN and his wife MAGDALENA in Mahanoy City Pa for a short time before leaving for Mineral Point Wisconsin where he worked on a farm and fed cattle in winter. According to his last surviving son NICHOLAS, one winter while cutting wood for fuel a caravan of Indians came along and asked for some tobacco which he gave to them. Upon filling their pipes they quickly loaded his wagon with the wood he had cut, thanked him and went on their way. In the spring he left Wisconsin and moved to McHenry County Illinois and worked as a farmhand. When the corn harvest was over that fall he lost his job and went to Chicago where he worked in a saloon for his room and board. He later obtained work in a lumberyard and met MARY THENO in 1869 and subsequently married. By this time his brother JOHANNES had also come west to Chicago and owned several meat markets along with a Mr Hauck. His other brother MARTIN had by this time returned from Germany with his wife and two children and the three brothers after giving the matter some thought decided that they would rather return to farming for a living. They went by train to Sheldon Illinois where they contacted a land agent who took them to Benton County Indiana where each one purchased 80 acres of land at a price of $9.00 an acre. In the spring of 1871 they moved from Chicago, each one having his own wagon for his family and all their goods including farming implements which they were taking with them. The trip took three days and upon arrival in the Benton area they lived in the upturned wagons until they could get houses built. They built typical German immigrant houses consisting of two rooms on the first floor and a loft area which was used as bedrooms. (A house of this type can be seen in Lancaster County Pennsylvania at the Hans Herr House near Willow Street Pa). There were no roads in the county at this time and the nearest trading center was in Sheldon Illinois. Since money was tight at the time as a result of the Civil War, everything had to be bought for cash. There was no credit given. Farm implements were in short supply also and since HEINRICH only had two horses he could not plow all 80 acres the first year. He planted his first corn crop on a portion of the acreage by making a hole in the overturned sod and having his wife drop a few grains of seed in each hole. The corn he had to spare he sold to a Mr Sumners who was a cattle feeder from Earl Park Indiana. On one occasion he and his brother JOHANN went to Sheldon on business and to buy supplies. On the return trip they were caught in a snowstorm and became lost. Finding an empty hunters cabin and having bought a coal stove in Sheldon they were able to keep warm over night. On another occasion while coming home before there was a bridge over Sugar Creek his team broke through the ice and HEINRICH had to wade in front of the team and break ice with a single tree from the wagon. After a few years of these types of hardships more settlers came to the area, roads and bridges were built and the County fast became settled. After living on the original homestead for some years HEINRICH sold to a Mr Finney who owned an adjacent farm and moved three and one half miles south and east to the farm eventually occupied by his grandson SYLVESTER GREIVES. This new farm was all prarie and HEINRICH had to break the sod once more. As the prarie sod was very tough he had to carry a file with him in order to sharpen the plowshares when he rested the horses. He also carried a club with which to kill the numerous snakes in the area. HENRY, as he was known now, raised a family of nine children and helped to establish the Roman Catholic parish in Dunnington. He was known in later years as "UNCLE HENRY" to his many friends and neighbors. The story that his mother wanted one of the boys to return to Germany due to the illness of their father raises the question as to why she would need them since her oldest son PETER was living in Mittelbexbach at the time and was unmarried. Godparents were HEINRICH METZINGER and BARBARA MATTHIEUX. Witnesses at marriage were GEORGE MEYER and CHRISTIAN KIRSCH. In the 1900 census he had had 10 children with only 5 still living then. Living in Parish Grove Township Benton Co Indiana in 1880 and in Hickory Grove Township in 1900. Had MINNIE FRANZ 15 living with them as a servant in 1900, and also a farm hand GEORGE GRIEVES age 23. 1910 census ____ -06-09-25 Benton Co Indiana living next to ROBERT SCHILLING. Naturalized 1896 Benton Co Indiana . HENRY died of cerebral hemorrhage according to the death certificate. MARY: 1900 census listing of her son HENRY J says she was born at sea.

Mr Cloud met them and gave them one room to live in in their old house while they were buildng a better one at Doster Kansas. Doster was a small place about 7 miles west of Caldwell Kansas. HENRY had purchased land about 6 miles west of Caldwell where he built their home and in 1904

they moved there. CLARA their 5th child was born there in August 1905. HENRY and SIBILLA worked hard building other buildings on the farm. and in the summer of 1908 SIBILLA who was sickly went with her mother MRS CATHERINE ROTH to Colorado.In 1915-1916 HENRY decided to enlarge the home. The family ate in the "cook shack" and slept in the garage where he had put in double walls and divided it into 4 rooms with sheets. HENRY cut the house into 4 parts moved each to the new desired location until he would join them all together again. He used a scoop with two mules to excavate a large basement into which he placed the furnace in one room, the electrical equipment which he used to give the house running water for the kitchen and bathroom and also electric for the house. They thus had electric before the High Line was put in. HENRY was also one of the first three persons in the area to buy an automobile. 16. v **CLARA METZINGER (SISTER).** #3843 b. 20 AUG 1905, Caldwell Sumner County Kansas,[12] Occupation: Nun, d. 28 DEC 1995, Wichita Sedgwick County Kansas, Buried: 02 JAN 1996, Wichita Sedgwick County Kansas. SISTER MARY GEORGIANNA of the Sisters of St Joseph. Still living June 1995. CLARA was the middle child of nine. A biography written by CLARA for the Archives of the Sisters of St Joseph follows: "I CLARA METZINGER was the middle child of nine and had many happy times with brothers and sisters. Once as a small baby, I was with my family in a buggy when the Indian ponies became scared and started to run away over ruts and ridges in the dirt road. My mother, thinking all were going to be killed, thought she would save me so she wrapped me in many blankets and dropped me into the road. When Dad had the horses under control and came back for me I was unhurt but crying. Another time when I was about three, I got lost in Colorado Springs where my mother was staying because of her health. The police kept me until my frantic mother claimed me. While growing up I spent much time riding a bicycle and my pony, Dolly. During W W 1 I went with my mother to the "Center" to prepare bandages for wounded soldiers. I remember when my father read that the Germans were within 40 miles of Paris. I entered Mt St Mary's Convent 08 Sep 1923 and was received as a Sister of St Joseph 19 March 1924 and given the name SISTER MARY GEORGIANA. I made my final vows in 1929. My two older sisters VERONICA and IDA who worked in Wichita took the streetcar many Sundays to come see me. The tracks ended where Blessed Sacrament is today, so they walked the dirt road to the Mount. Only one house was between Calvary Cemetery and the Mount at that time. From 1927 to 1980 I taught in elementary schools at Pittsburg, Coffeyville, Independence, Cherryvale, Arkansas City, Wellington, Hutchinson, Kingman, St Paul, Kansas City, Wichita at Cathedral, and St Patrick's all in Kansas; Groves Texas, and Eugene Oregon. I was principal as well as teacher in many of these schools. We had self-contained classrooms averaging about 40 pupils. In my second year of teaching 68 pupils enrolled for my class. The Monsignor said-just move in another row of desks-. Finally 10 were taken to another room. I began college at Pittsburg State in 1928. We lived in the parish school, 15 beds in each large classroom. We ate in the basement and rode the streetcars to class with cold lunches. I also attended Wichita University, Mt St Scholastica, Atchison, and Mt St Mary's Leavenworth where I received my first degree in 1950. With many summers devoted to teaching vacation schools plus doing sacristy work and odd jobs at the Cathedral, I could only get 8 credit hours per summer which made getting a degree a long process. From 1951 to 1956 I attended Creighton University where I received my M. A. In 1980 I came to Mount St Mary's and still reside there".
